

ACME/LINGO STREETSCAPE BANNERS

Acme/Lingo Street Banners are digitally printed in full color on Sunbrella® brand fabric. Now you have the choice to add full color, high quality images, graphics and designs to your streetscape banners and have them done on the most durable, long lasting fabric known for outdoor use; Sunbrella®. Our printing process can produce up to 1440 x 1440 resolutions on Sunbrella® without costly screen charges and minimums. We can print directly from your file or create a design for you. From one piece to hundreds, Acme/Lingo can produce your streetscape banners on this environmentally friendly PVC free material. Combine this durable material with our eco-solvent UV inks and you will have the best, most long lasting streetscape banners ever!
